SwipeClock Time & Attendance

SwipeClock Online Timekeeping

is a simple and effective way to track employee's time. Employees easily "punch" in and out online with Webclock or with one of the clocks below. Supervisors manage timecards online without having access to sensitive data; time then seamlessly integrates with your AllPay payroll.

* \$50 monthly minimum

**Verifone 330/380 Analog
Modem Time Clock.....\$199.00**

**FlexClock Z11 Ethernet Time Clock
with FOB Reader.....\$299.00**

**FlexClock Z23 Biometric
Ethernet Time Clock.....\$499.00**

**FlexClock LA2000 Premium Biometric
Ethernet Time Clock.....\$1799.00**

Other Models are available to meet special needs including Time Clocks with bells.

New Hire Onboarding

- » Complete electronic I9 and W4 with the ability to print paper copies
- » Rehire Eligibility is checked and enforced.
- » Mailing address validation for all new-hires.
- » Choose to have new employees electronically sign or manually sign documents.
- » Web forms in All-Aboard enforce data integrity and completeness. No more missing data and ineligible hand writing.
- » All completed pages produce a PDF copy that stays on file with the employee record in AllPay, even after onboarding is completed.
- » Choose from standard page templates or customize your own using a powerful online editor.
- » Employees can easily sign up for other efficient services such as direct deposit, pay cards and MyPay employee self-service where benefit enrollment can be offered.

Human Resource Information System

- » Performance Reviews
- » COBRA
- » Skills / Training
- » OSHA
- » Dependents/ Emergency Contacts
- » FMLA
